

Cell and Structural Biology of Host Pathogen Interaction

by RTG2771 Humans and Microbes

Sept 10-12 2025, CSSB Hamburg

INVITED SPEAKERS

Ivan Đikić (Germany)
Jost Enninga (France)
Marcia B. Goldberg (USA)
Kay Grünewald (Germany)
Trude Helen Flo (Norway)
Ana J. Jimenez (France)
Michal Sharon (Israel)
Holger Sondermann (Germany)
Noam Stern-Ginossar (Israel)
Maya Topf (Germany)
Ross Waller (UK)

TOPICS

Cellular Infection Systems
Molecular Basis of
Pathogenicity
Current Methods in
Molecular Infection Biology

PROGRAMME

www.humansandmicrobes2025.de

***Join us for invited talks, short
talks with awards, a poster
session and networking at the
symposium dinner. Registration
until 15 Aug 2025.***

Universität Hamburg
DER FORSCHUNG | DER LEHRE | DER BILDUNG

Leibniz-Institut
für Virologie
