Hubertus Wald Award for Oncology 2025

Dear colleagues, dear friends, supporters & members
of the Hubertus Wald Tumor Center,

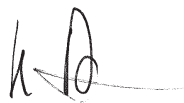

With the awarding of the Hubertus Wald Award for Oncology we honor outstanding scientists who have contributed significant research results to the improvement of cancer therapy in an international context.

This year, the prize is being awarded to **Prof. Dr. Karim Fizazi**, Professor in medical oncology at Institut Gustave Roussy and Centre Oscar Lambret as well as Paris-Saclay University, for his outstanding research in the field of prostate and testicular cancer.

Therefore we would like to invite you - also on behalf of the Board of Trustees of the Hubertus Wald Foundation (Dr. Volkmar Herms, Prof. Dr. Hartwig Huland, Rüdiger Ludwig and Prof. Dr. Sabine Schulze) - and look forward to a festive award ceremony.
